Soviet Chiefs Appear Grim After Long Talk With Eden

They Postpone News Meeting With 36 Hours

LONDON (AP) — Soviet Premier Bulganin and Communist party chief Nikita Khrushchev strode grimly from a crucial meeting today with Prime Minister Eden, amid plummeting hopes for any solid British-Soviet agreement on world issues.

Moments later the Soviet leaders postponed for 36 hours a news conference they had scheduled for tomorrow. A British Foreign Office spokesman said he could not explain the reason.

With the Soviet-British talks in their final stage—this was the next to the last session—the Russian leaders looked almost sullen as they left No. 10 Downing St.

Eden did not come to the door of his official residence to see the Soviet leaders out. Staring sullenly ahead, the Russians hurried to their waiting car to be driven to the House of Commons for a luncheon given by the speaker.

British alarm and resentment mounted as a result of Khrushchev's two speeches yesterday in which he bragged about Soviet guided missiles with H-bomb warheads and talked tough to Labor leaders critical of Communist policies.

"Khrushchev drops the mask," said a typical headline describing the acrimonious clash last night between the Soviet party head and Labor party leaders over the status of Socialists and Jews in Russia and the Red bloc nations.

Even the most leftist of the Socialists seemed shocked.

Informed opinion here traced Khrushchev's new tone to a combination of irritation over the cool reception he and Premier Bulganin have received and their failure to break down Britain's determination not to trade in strategic goods.

There had been reports that some progress was made on the Middle East problem but there appeared to be a deadlock in matters of trade and East-West contacts.

Moscow radio, meanwhile, bolstered speculation that the Soviet Union expects Britain to help the Russians make closer contact with the United States.

The Moscow broadcast quoted Khrushchev as contending that the Soviet government would like good, friendly relations with all powers, including the United States.

There have been reports here that Bulganin and Khrushchev are fishing for an invitation to visit the United States and are hoping the British might help them get it.

Alaskans Vote In Their First Primary Today

JUNEAU, Alaska (AP)—Alaskans vote in their first presidential preferential primary today.

They will choose between Adlai Stevenson and Sen. Estes Kefauver for the Democratic nomination.

Although the names of President Eisenhower and Sen. William F. Knowland of California were on the Republican ballot, the Stevenson-Kefauver contest drew the lion's share of interest.

Knowland's name was placed on the ballot before Eisenhower announced his willingness to run. It could not be removed.

Although Alaska's six-vote delegation to the Democratic National Convention will go unexercised, any strong swing in the Stevenson-Kefauver race could well have influence. An informal poll of the delegation shows it to be in favor of Stevenson at this point by about a 3-1 margin.

A City Disguised

Sedalia looked like foggy London for a brief while early this morning. All that was needed to complete the illusion were the grumpy countenances of Bulganin and Khrushchev.

Fair and warmer tonight; increasing cloudiness Wednesday with thunderstorms late Wednesday or Wednesday night; low tonight about 35; high Wednesday near 60.

The temperature at 7 a.m. was 32, 54 at 1 p.m., and 55 at 2 p.m. Low Monday night 28. Moisture .02 inch in snow and drizzle.

The temperature one year ago today, high 77, low 50, with .38 inch of rain; two years ago, high 84, low 59; and three years ago, high 72, low 57.

Jaycees Open Their Home Show at Park

The annual Home Show sponsored by the Jaycees opened at 2:30 this afternoon at Convention Hall, Liberty Park, with ideas for homes whether they be old or new, and yes, ideas for recreation, too. The show will continue through Wednesday and Thursday with hours from 2:30 to 10:30 p.m.

Every year the morning of the Home Show Convention Hall looks as though things couldn't possibly be ready for the big event within a week. The booths, most of them, are either half empty or totally so, with perhaps three or four completed ready for the throng of afternoon and evening visitors. At a few of the booths men work hurriedly or stand back looking as if they are trying to get some idea what to put in the little nook they have purchased for the show. Yet, when the doors open everything is in place and nobody would ever dream that a few hours before a building could look so vacant.

For those who are planning to remodel or are building new homes there are things that hold the fancy for the dreamers, from the complete building of the home to some of the little details that add so much. Even the paint in the many beautiful shades, the trellises and arbors for the yards, and snack bar.

How many people have sighed as they looked at the fireplace in the home of a friend and said: "I always wanted a fireplace." There are ready built fireplaces on display, one, even with little bookcases or whatnots on either side. Exquisite carpeting in all types and colors from the plain to the colorful florals.

House Refuses Senate Notion About Prison

JEFFERSON CITY (AP)—The Missouri House bumped heads with the Senate again today in its defense of Col. James D. Carter, director of corrections.

The House refused to accept the Senate notion that a commission to locate a new medium security prison should receive the money for the land purchase. Instead, the House sent the \$50,000 bill back to the Senate with a double-barreled request:

Either change the bill back to the original House version so the money would go to Carter for purchase of any needed land;

Or agree that a Senate-House conference committee should work out a compromise.

Yesterday the House sent back to the Senate the key prison bill, authorizing the construction of the medium security institution. It appeared to be headed for a conference committee also.

Also returned to the Senate today, with a request for a try at settling House-Senate differences was a catchall appropriation supplying some 22 million in emergency funds for various state agencies. The House didn't like a Senate provision which, House members said, might prevent payment of bills contracted in the past few months.

One big change in the medium security bill, made by the House yesterday, constituted a rejection of the Senate's proposal to bar Carter from any part in locating or building the new facility.

The Senate, in effect, took Carter off the site commission and gave the commission supervision to the board of Public Buildings instead of the corrections department.

The House took the stand that Carter had too big a stake in the new prison, its location, its construction and its operation, to be barred from the job.

The House also changed the bill—despite opposition from representatives of organized labor—so that prison produced materials could be used in the new prison.

Sponsors said that would give work to idle convicts and would save the state some money in material costs. The Corrections Department has several rock quarries which could produce aggregate for concrete and cut stone for walls.

But members representing large union areas said it would be putting convicts into competition with free labor. Some Democrats joined a large bloc of minority Republicans to approve the change.

With just four days of the special session left the Senate will have to approve the House changes or the bill will have to go into conference committee quickly.

There are locks for the doors and knobs of many different types, awnings of redwood, aluminum or fiberglass, linoleums, plumbing fixtures, cabinets for just the kind of kitchen the housewife likes best, and there are mops and brooms to keep the house shining.

There are shingles, siding, insulation, and air conditioners, there are outdoor ovens and indoor ovens to fascinate the cooks.

Of interest to the men in particular is everything for a bit of recreation and vacation—everything from a fishing pole to an outboard motor. And, not exactly to take the joy out of life, but there are lawnmowers, too.

Upstairs the women will love the room of dainties for all ages. The frothy lingerie in the delicate pastel shades, the costume jewelry in (Please turn to page 2 column 6)

Price Boost Is Requested By Producers

Ten Markets Want Raise of 46 Cents A Hundred Pounds

ST. LOUIS (AP)—Producer groups, representing 10 mid-America markets, sought an increase of 46 cents a hundred pounds—one cent a quart—at a hearing here yesterday before an agricultural department examiner.

Pressure for adjustment of minimum federally fixed prices, developed from producer strikes in the Detroit area where an increase of 31 cents a hundred was negotiated outside the federal order there.

Richard L. Duncan, manager of the Falls City Cooperative Milk Producers Assn. of Louisville, Ky., told examiner John Curry of the Department of Agriculture that there is a strong feeling dairy farmers are not sharing in national prosperity.

Duncan reported "producer pressure groups with union representatives at Louisville recently recommended federal milk orders be discarded and replaced with union procedure to give dairy farmers a \$6.50 price for milk in winter months and \$4.50 in summer.

Duncan indicated a 46 cent increase was imperative to head off further trends in that direction.

Russell E. Spaulding, general manager of Sanitary Milk Producers Assn., of St. Louis, said a 51-cent drop in Class 1 milk prices on the St. Louis market the last month had made unrest among area dairy farmers "acute." He recommended the increase be granted no later than May 1.

The increase also was sought by Dale Schaeffberger of Highland, Ill., who testified for square deal milk producers of which he is president, and the Missouri Milk Cooperative of Crystal City, headed by Frank Smith.

Markets represented were St. Louis, Springfield, Mo., Kansas City, Topeka, Kan., Oklahoma City, Tulsa-Muskogee, Okla., Neosho Valley Kan., Paducah, Ky., Louisville and southwest Kansas.

ALLIANCE HEAD — Major Gen. Abdel Hakim Amer, above Egyptian Army Chief, has been made head of the joint command created by the new alliance of Egypt, Saudi Arabia and Yemen. The semi-official Middle East News Agency announced the appointment as Prime Minister Lt. Col. Low Temperatures Hit Most of State, Warmup Forecast

KANSAS CITY (AP)—Temperatures below or near freezing hit Missouri again last night. The chilly spell brought only light precipitation.

Kirksville shivered in a 19-degree reading. A heavy frost covered Maryville as the mercury dropped to 20 and broke a record for the date of 27 set in 1910. It was 23 at Butler.

Heavy fog blanketed the Kansas City area and extended into central Missouri. The foggy conditions began improving this morning.

Precipitation measured .17 of an inch at West Plains, .16 at Farmington, .11 at Glasgow. Many other points reported less than a tenth of an inch.

The Weather Bureau said it would be partly cloudy and warmer over the state this afternoon and tonight. Rain is expected in the west portion tomorrow.

The five-day forecast indicated the warming up will be slow with temperatures tomorrow through Sunday still a few degrees below normal.

Cattle Truck And Car Hit Near LaMonte

No Injuries Result But Driver of Car Is Held for Inquiry

A large two ton 1955 Dodge cattle truck and a 1946 Ford coupe were extensively damaged about 12:50 a.m. Monday in a collision on Highway 50 about a mile west of LaMonte. No injuries resulted.

The Ford coupe driven by Lewis Siler, 41, Lee's Summit, according to Sgt. E. W. Van Winkle was on the highway in the south lane headed west, and was believed to have been stopped. The truck driven and owned by Melvin Dillon, 36, LaMonte, was enroute east in his own lane when the accident occurred.

Dillon reported the fog heavy and he was traveling along when he came over a slight rise in the road and there in front of him on his side of the highway was the Ford car. Dillon said he applied his brakes and endeavored to swerve to the left side of the highway, but it was too late. The truck crashed into the right front portion of the car knocking it backward and off into a ditch on the south side of the pavement. The truck swerved and crashed into the ditch on the north side and turned over on its side.

The drive shaft of the truck was snapped as it rolled over, the rear wheels were twisted as the rear springs pulled loose, and the right front wheel was driven back beneath the cab of the truck. The right front portion of the Ford was demolished.

Siler was brought to Sedalia by Sgt. Van Winkle and lodged in the city jail until today for investigation.

The Chamberlain wrecker towed the cars away.

Cabinet Wives To Hold Meeting With Ohio Women

TOLEDO, Ohio (AP)—The Republican administration's "Kitchen Cabinet" flies in from Washington today for a grass roots conference with Ohio GOP women.

The wives of Secretary of the Treasury Humphrey, Secretary of Agriculture Benson and Atty. Gen. Brownell will take part along with wives of 10 other secretaries and undersecretaries. They will fly back to Washington in time to have dinner with their husbands.

Mrs. Carroll D. Kearns, president of the National Federation of Republican women, said it is the first time wives of U.S. department heads have served as a "Kitchen Cabinet" to spread political gospel.

"It will give women at the grass roots level a much better understanding of politics," said Mrs. Florence G. Morris of Toledo, vice president of the Ohio Federation of Women's Clubs, the organization sponsoring today's affairs.

"Women are more and more interested in government," she said. "They want to know what makes government tick on the national level. They want a first hand knowledge of government."

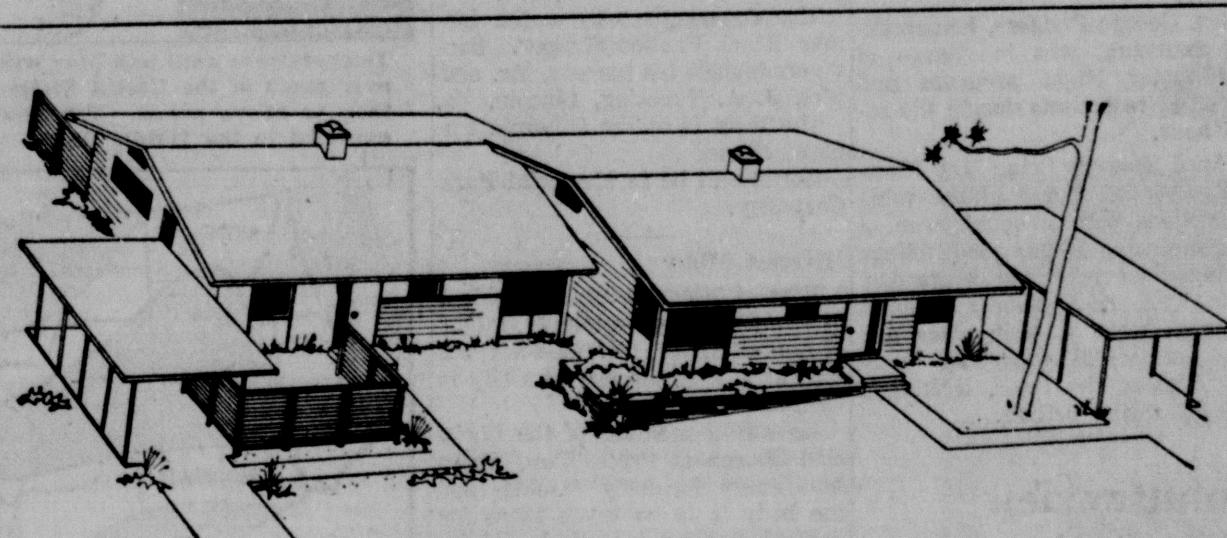

100 Persons Evacuate Chicago Hotel When Fire Is Discovered

CHICAGO (AP)—About 100 persons were forced to evacuate their rooms in the Morrison Hotel early today after a fire was discovered in an air chute. No injuries were reported.

Firemen poured water down the chute from the 42nd floor of the big Loop area hotel and also at other openings in the chute five floors apart.

Fire officials estimated damage at \$5,000.

TYPICAL HOUSING UNIT—This sketch shows a housing unit typical of the type that is now being constructed at Whiteman Air Force Base under a new building program.

Need for More Units Foreseen--

Construction Has Begun on Big Housing Unit at the Whiteman Air Force Base

Construction of 400 government housing units at Whiteman Air Force Base will begin this week, Col. Charles V. Neil, base commander, said yesterday.

The \$6,035,994 contract for the work was awarded March 23 by the Army Corps of Engineers in Kansas City to the J. W. Bateson Construction Co. of Dallas, Tex.

The site of the project, covering approximately 160 acres, is located along the west and northwest edges of the base adjoining Knob Noster state park. About 40 acres were donated to the federal government by Edwin C. Houx, president of the Peoples National Bank in Warrensburg.

The contract calls for the completion of 150 units within 400 days. The entire project must be finished within 600 calendar days.

Of single story, wood frame construction, the buildings will consist of 185 duplexes and 30 single family units. The houses will be of two and three bedroom design.

The 400 units will be occupied by the 300 airmen and 100 officers most necessary to carry out the Whiteman Air Force Base emergency plans. It is anticipated another 90 units will be required to complete the housing requirements of Whiteman Air Force Base and plans for this construction will be announced at a later date.

The contractor also will install streets, sidewalks, driveways, utility lines, construct culvert and storm drains and seed or sod the entire housing area.

Houses will be set at different angles and levels, taking advantage of all existing landscaping.

Each unit will have a carport in which will be located an enclosed storage area.

All driveways will be paved and all homes will have ceramic tile bathrooms and garbage disposal units. The houses are designed so that each unit will have face stone exterior wall panels or planters.

The initial phase of construction will include installation of streets and utilities.

Commenting on the project, Col. Neil said, "Many reviewing officials at higher headquarters have repeatedly remarked that the design of these houses is one of the best they have ever seen. When completed, the house should be one of the most attractive and livable developments in the entire Air Force."

Four Israeli Men Are Slain In an Ambush

JERUSALEM (AP)—Shots from ambush killed four Israeli water authority men in the Negev Desert a few hundred yards from the Jordan border last night.

The killings tightened the Arab-Israeli tension that Dag Hammarskjöld's mission is seeking to abate.

The victims' command car was set afire.

"This outrage bears all the signs of another fedayeen action, from whatever territory the murderers may have come," Israeli Foreign Minister Moshe Sharett protested to the U. N. secretary general.

Fedayeen Arab suicide raiders last infiltrated Israel from the Egyptian-held Gaza Strip in a series of night attacks preceding the April 18 cease-fire on the frontier shared by Israel and Egypt. Israeli Premier David Ben-Gurion said Sunday 11 of them had been killed. He put Israeli deaths for the month at 18.

The Israeli water party—made up of three engineers and their driver—was reported attacked shortly before sundown on the Beersheba-Eilat road not far from Scorpion Pass, where Arab infiltrators shot up an Israeli bus in 1954 and killed 12 of its passengers.

Israeli spokesmen said the four were cut down by automatic fire. The killings followed closely on fresh trouble between Israeli fishermen and Syrians on the Sea of Galilee, the historic fresh water lake that Israel claims is wholly within Israel's frontiers.

Boys and Girls Can Win New Bicycle With Safety Slogan

Hey, boys and girls, how would you like to become president of PRISCILLA'S SAFETY CLUB and also win a brand-new safety-tested bicycle just by writing a safety slogan? Well, here's your chance! Al Vermeer, famous artist who draws the popular comic strip, PRISCILLA'S POP, has authorized Priscilla to name her own dad as the judge who will pick the best slogan and make the writer of that slogan president of PRISCILLA'S SAFETY CLUB. Al Vermeer, himself, will furnish the bicycle that the president will get.

And that's not all! Everybody who writes a slogan not only has a chance to win, but also becomes a member of the Safety Club. You will find out all about it by reading the PRISCILLA'S POP comic strip from April 30 through May 12. The winner will be named in the comic at a later date.

Two of these comics will carry a safety slogan entry coupon. Clip one of the coupons, write your own safety slogan on it, and mail or bring it to this newspaper. All coupons must be received by Saturday, May 19, so that they may be sent to the National Club Headquarters in Cleveland for judging.

Every youngster who fills out a safety slogan coupon can get a PRISCILLA'S SAFETY CLUB membership card by calling for it at this newspaper's news room. Here are a few suggestions that may help you write your own slogan:

Obey Your School Crossing Guards
Make Caution a Habit
Always Wait for the Green Light
For Safety's Sake, Play at Playground

Come on, kids—try your luck with a safety slogan. All boys and girls are eligible to compete. Maybe you'll be the one who is named president of PRISCILLA'S SAFETY CLUB and win the brand-new bicycle.

Police Chief Vows Arrest Of Any Mixers

MONTGOMERY, Ala. (AP)—Racial barriers were hauled down on city buses in this cradle of the Confederacy today, but the head of the Police Department threatened to arrest any passenger who mixes with the opposite race.

Bus drivers who permit desegregation on their buses also face prosecution, the official said.

Montgomery City Lines Inc., operating the only bus service, abandoned segregation of white and Negro patrons today in the wake of yesterday's U.S. Supreme Court ruling.

A few hours later, Police Commissioner Clyde Sellers, a member of the White Citizens Council, said any passenger who violates city or state segregation laws will be prosecuted.

The council is an organization dedicated to the preservation of racial segregation.

"I'll be responsible for any arrests and I'll give the direct orders for those arrests," Sellers declared.

"As far as I'm concerned, this damn thing applies to South Carolina only," the commissioner explained, referring to the decision holding bus segregation unconstitutional. The ruling came on an appeal from South Carolina.

A similar suit attacking Montgomery and Alabama segregation laws is pending in U.S. District Court and a hearing is scheduled for May 11.

"Until they tell us in this suit filed here that it (the Supreme Court decision) applies to us," Sellers said, "I'm going to enforce all city laws to maintain segregation."

"That's the way I feel. I'm a Southern white man and I want to continue to be one."

Only a relatively few Negroes who have boycotted the buses for nearly five months patronized them during the morning because word of the bus company's new policy didn't become known until late last night. Some of the drivers were unaware of it until they reported for work today.

Thieves Enter 3 Businesses And School

Three business firms and a public school were broken into sometime early Tuesday morning.

A front window at the Hopper Grocery, Main and Quincy, was broken by thieves who apparently were frightened away by the police patrol which found the broken window.

Thieves gained entrance but apparently did not steal anything from the store.

Later police found the front door to the Howard Construction Co., on North Osage open. The owner was notified and a check was made here. At first it was believed some tires had been taken but a later check revealed nothing missing.

The Freese and Rissler Dairy at Main and Prospect, was entered by thieves sometime before 4:36 a. m. when it was found by two employees.

Entrance here was gained thru a cooler door on the south side of the building and going on through the building. The place was ransacked and an attempt was made to pry open the cash register.

It was believed some ice cream and cake was stolen from here and taken to the Mark Twain school yard where it was eaten. Some cigarettes were also taken.

Mark Twain school was broken into by thieves who broke a vent on the west side of the building. They kicked out a fan in the vent opening.

After gaining entrance, the intruders sat down in the basement and devoured three quarts of vanilla and chocolate ice cream and angel food cake. They also left two packages of cigarettes lying on the table. It appeared three persons were in the building, as three spoons had been used.

They used a knife to open five rooms in the building. Desks were ransacked, but it was not definitely determined if anything had been taken.

Police are conducting an investigation of the robberies and Cecil Glenn is also investigating the school robbery.

Presents PTA Life Membership To Mrs. Sheridan

Mrs. L. E. Sheridan was presented a life membership in the PTA at the last meeting of the Smith-Cotton High School PTA April 19. The presentation was made by Forrest Drake in the auditorium as a tribute to the work done by Mrs. Sheridan in the PTA.

The meeting was opened with an inspiring devotion by Dr. Leonard Reifel, pastor of the Federated Church.

The Smith-Cotton band played several selections under the direction of Mrs. Carl Schrader and Bob Cummins. The junior and senior glee club sang three numbers under the direction of Mrs. Leroy Luchs.

Mrs. Charles Poynter was program chairman and the program was in keeping with the theme of the year, "Working With Youth Through the High School PTA."

Mrs. Sheridan appointed Mr. and Mrs. Oliver Thomas and Mrs. Orie McKinney to the auditing committee. The historian report was read by the secretary, Mrs. Wilma Turk. Mrs. Hashell Cook served as historian.

It was announced that the Smith-Cotton PTA would be hosts to the council May 2 with a luncheon in the cafeteria at 1:15 p.m.

The following officers were elected and installed: Mrs. George Chamberlin, president; Mrs. Charles Poynter, first vice-president; Mrs. Elmo Harlan, second vice-president; Mrs. Nathan Jones, secretary; and Mrs. Emerson Matthews, treasurer.

Mrs. Chamberlin appointed the following chairman: Mrs. Charles Poynter, budget and finance; Mrs. Elmo Harlan, program; Mrs. Ed Matthews, publicity; Mrs. Leon White, magazine; Mrs. Oliver Thomas, parent education; Mrs. George Curran, devotionals; Mrs. Dolph Chatman, congress publications; Mrs. R. M. Stonner, Founder's Day; Mrs. Sam Knapp, health; Mr. and Mrs. Paul Hunnell, hospitality; Mrs. Herb Studer, legislation; Mr. and Mrs. Lloyd Satterwhite, membership; Mrs. S. F. Swearingen, room representative; Forrest Drake, student aid; Mrs. Jennie Miller, scrap book; Mrs. Howard Gwinn, standard of excellence; Mrs. Hashell Cook, social and Mrs. Jack Cross, historian.

An executive meeting was held at which time it was voted to allow the teachers a sum to help buy equipment for the teacher's lounge. This was the last meeting of the year and open house was held with student work displayed in the library.

Relocate Rest Home

Mr. and Mrs. J. P. Hall, California, are moving their rest home from the east part of California to the Eitzen Mansion which they have rented. They now have 14 patients in the home and will be able to handle 31 patients in the larger home. Dr. and Mrs. Mullenax, Jefferson City, recently operated a rest home in the Eitzen Mansion.

Lincoln WSCS Meets For Regular Session

Mrs. S. O. Brill, who attended the annual WSCS conference in Kansas City as a delegate, gave a report on the meeting before 24 members of the Lincoln WSCS organization when they met in regular session at the Methodist church April 18.

The meeting opened at two o'clock with a prelude of piano music by Mrs. Glen Lehman. Mrs. Henry Kroenke was in charge of the devotion service, which included group singing, prayer, a talk on "Christian Discipleship Today," and ending with the reading of excerpts from several letters received from well known Methodist missionaries and a poem.

During the business session, a financial report was given by Mrs. Lehman. It was announced that the annual pledge of \$165.00 had been reached with \$12 more from the treasure chests. It was voted to pledge the annual \$165 pledge for the ensuing year.

Mrs. Kroenke was elected zone secretary at a recent meeting. The next WSCS conference will be in Springfield.

Election of officers will be held next month and the president, Mrs. S. D. Brill, named the following to the nominating committee with Mrs. R. T. Wehmeier as chairman: Mrs. Eugene Roberts, Mrs. Lehman and Mrs. S. O. Brill.

The meeting closed with group singing and refreshments were served at three tables which had as their centerpieces, red Washington geraniums. The hostesses were Mrs. F. E. Weakley, Mrs. Edward Kullman and Mrs. C. F. Pohl.

Has Pink, Blue Shower Honoring Mrs. Wilson

A pink and blue shower was given at the home of Mrs. Lloyd Farris, 1708 South Grand, April 12, honoring Mrs. Robert Wilson, of Overland Park, Kan. The gift table was decorated with pink and blue streamers and centered with the traditional stork.

Pictures were taken throughout the evening and games were played. After Mrs. Wilson opened her gifts, refreshments were served.

Guests were, Mrs. Everett Keele, Mrs. Herman Farris, Miss Jane Wadehill, Mrs. Dan Jacks, Mrs. Lovell Farris, Mrs. Charles Keele, Mrs. Robert Potoroff, Mrs. Eva Farris, Mrs. Clyde Thorp, Miss Mary Anna Bridges, Mrs. Norma Bridges, Mrs. Robert Wilson, Mrs. Lloyd Farris, and Mrs. W. J. Paul. Other, unable to attend, sent gifts.

Mrs. Lloyd Farris and Mrs. W. J. Paul were hostesses.

Women's Guild Day Circles Have April Meetings

Miss Leora Schupp, 122½ South Ohio, was hostess Tuesday night to the Rebekah Circle of the Women's Guild of the Immanuel Evangelical and Reformed Church. Mrs. Elmo Harlan was the assistant hostess.

Mrs. Garnett Bulkley led the devotion service followed by the program, "A Christian Is Committed to Pray Daily." Mrs. Frieda Nelson discussed the topic and called upon members of the group to express their own personal experiences with prayer.

"Prayer" was also the topic of the three-day circles which held their meetings Thursday. The Ruth Circle met at the home of Mrs. Roy Lierman, 709 East Fifth, with Mrs. Mayme Rider assisting. Mrs. Lottie Meisenheimer gave the devotion service and Mrs. Elmer Maune the program. The circle voted to make chair covers for Caroline Mission in St. Louis. They adopted as their Church World Service sewing project the making of aprons and panties.

Mrs. George Young was hostess to the Dorcas Circle at her home on Route 2. Mrs. Louise Metcalf assisted. A worship service conducted by Mrs. George Dabner was followed by the program led by Mrs. Frank Gross and Mrs. Louise White.

Mrs. John Griessen presided over the business meeting. Materials for a Father-Daughter Share-Pak were assembled. The group will have an all-day meeting with Mrs. Dabner in June to sew a dozen each of blouses and skirts for church world service.

The Mary-Martha Circle held its meeting at the home of Mrs. Lena Brauer, 1314 South Kentucky. Mrs. Richard Gray, circle chairman, was in charge of the worship program with Mrs. Russell Sharge giving the topic of the afternoon. Share Paks for a father, daughter and son are being assembled by the circle.

In order to give the circle members an opportunity to attend the Central Missouri Regional Retreat which will be held at Jamestown on May 17, the three-day circles agreed to change their meeting day to Friday, May 18, at which time they will have a joint meeting at the home of Mrs. Rival Rhoads, chairman of the Ruth Circle. A covered dish meal will be served at noon.

Jefferson School PTA Holds Installation

The Jefferson School PTA met April 20 at the school auditorium. Mrs. James Hall presided in the absence of Mrs. A. L. Jones. The Rev. William Smith gave the devotion.

A letter from Mrs. J. W. Boger was read stating April 29-May 5 was Mental Health Week. Mrs. Imogene Peoples was appointed activity fund chairman. It was announced that the PTA plans to buy a new refrigerator for the cafeteria. The lunch room report showed a decline in the number of lunches served. Mrs. Hall stressed cub scouting, and pointed out the importance to the boys in the community.

The school carnival will be April 27 at 8 p.m. There will be a special meeting April 24 at 7:30 p.m. in the auditorium to hear members of the school board discuss the school bond issue. There will be a PTA Council luncheon May 2 at 1:15 p.m., Smith-Cotton High School cafeteria.

Mrs. Nathalie Poynter installed the officers for the coming year are: Mrs. A. L. Jones, president; Mrs. James Hall, first vice-president; Mrs. L. C. Greer, second vice-president; Mrs. Harold Ryan, secretary; Mrs. Barbara Armstrong, treasurer; and Mrs. May Ella Hausam, historian.

The program was by the sixth grade, Miss Linney Swearingen, teacher. Sandra Lane welcomed the group. After the class sang a song, Sonny Pulley, Jerry Thomke and Donnie Lees gave a reading. June Wolf, Sandra Lane, Sonny Pulley and Sharon Ransdall sang a selection. The entire group then sang two selections. After Tommy Robb gave a reading, there was a colorful rainbow drill accompanied by appropriate music. The program closed with the Heel and Toe Polka. The sixth grade won room count.

Blackwater WSCS

The WSCS of the Blackwater Methodist Church met Thursday evening at the home of Mrs. A. J. Widel with 14 members and two children present. The president, Mrs. C. D. Lueckert, presided over the meeting. The devotion service and program were in charge of Mrs. M. R. Gillespie assisted by Mrs. William Nowlin, Mrs. Robert Gibson and Mrs. Lueckert. At the close of the business meeting a social hour was held and refreshments served.

Education Class Meets

The Jefferson School Parent Education Class met April 18 in the lunchroom. The devotion was given by Mrs. Cecil Smith, and Robert Smith sang a solo.

Mrs. James Hull talked on "Education for All."

Refreshments were served by the hostesses, Mrs. Irene Woods and Mrs. Dorothy Reynolds.

No rainy day savings? ...see HFC today!

It's not unusual for repair bills to catch a family unprepared—and borrowing the necessary money is often a common and sensible solution.

In fact, nearly two million folks borrow money from Household Finance every year to pay medical bills, repair bills, travel expenses... the kind of expenses you may face yourself right now.

HFC loans are prompt and convenient. You can get \$20 to \$1000, usually in just one day. If you have a steady income, and can repay in regular monthly instalments, you meet the principal requirement for borrowing at HFC. If you have a money problem, phone or drop by today!

Tollgate Land May Be Site Of Next War

CAIRO, Egypt (AP)—The Arabian Peninsula "Land of the Tollgate Sultans" looks like the next major battleground in the cold war between the Arabs and the British.

Signing of a new military alliance Saturday by Egypt, Saudi Arabia and the little desert kingdom of Yemen promises trouble in the sandy stretch of land around the rim of the Arabian Peninsula. That strip forms the last stronghold of direct British control in the entire Arab world.

Around this perimeter are numerous sheikhs and sultans who in theory are as sovereign as Queen Elizabeth II but whose "independence" depends almost entirely on treaties of protection with Britain.

Their desert frontiers rarely are well defined, and the British-backed rulers recently have come increasingly into conflict with their larger neighbors to the north—Saudi Arabia and Yemen.

Yemen's conflict with Britain centers mainly around the Aden protectorates — 30 "independent" states jammed into the 100-mile width of the peninsula's southwest corner between Yemen's southern frontier and the Indian Ocean.

Some of these sultans and sheikhs live on as little as \$10 a month, derived largely from the tolls they charge on camel caravans plodding through their roadless domains. The inevitable tollgate, a dirty mud-hut village and possibly a Beau Geste type fortress with mud walls often constitute the entire populated area of the sultan's domain.

Lonely British agents, many of them the only Europeans in the area, act as the link between the sultans and the British government with only a few locally raised troops for protection.

From his isolated mountain kingdom where time has stood still since the Arabian Nights, Imam (Sultan) Ahmed of Yemen for years has maneuvered to end the British domination of the protectorates, which Yemen claims.

Sporadic border fighting between Yemen tribesmen and the Aden sultans has gone on for decades.

Recently the Yemenites have stepped up their campaign to get the British out, spurred by British plans to weld the numerous Aden protectorates into one federation. Ahmed fears that would produce a single state powerful enough to rival his own.

Ahmed also is disturbed by reports Britain has granted an oil concession on the Red Sea island of Kamaran, which Aden also claims.

In its anti-British maneuvers Yemen has tightened old bonds with Saudi Arabia, whose King Saud himself has a border feud with the British-backed rulers in

Happy Workers 4-H Club Holds April Meeting

The Happy Workers 4-H Club met Friday, April 13, at the Legion Hall in Pilot Grove, with 24 members, 15 visitors, three leaders, and Mrs. Elmer Friedrich, Mr. and Mrs. Harold Vernon, Mrs. John Schwerter, Mrs. Robert Warnhoff, Mrs. Henry Jeffress, Mrs. Walter Rapp and Mrs. Paul Meisenheimer present.

Eight new members joined the club including Linda Vernon, John Wondrahe, Billy Bryan, Edwin Deuschle, Helen Deuschle and Jean and Marjorie Vondrahe.

The 4-H pledge was led by Joe Ed Stoecklein, followed by the pledge to the flag led by Richard Jeffress.

Songs were led by Jeanette Kempf and Joan Stoecklein. Roll was answered by the members with "A Good Health Habit."

Jack Baker, woodwork leader, announced a woodworking meeting would be April 19 at the high school.

The club will go by school bus to the Share the Fun Night May 4 at Blackwater. Plans were begun for attending church in Boonville on 4-H Sunday, June 10, and for attending 4-H Camp June 30 at Clover Point, Lake of the Ozarks with 15 members planning to attend. A contribution was made to the International Farm Youth Exchange Fund. Joan Stoecklein, junior health chairman, distributed a list of supplies for each first aid kit.

Jay Bean and Andrew Stoecklein were appointed livestock leaders to assist Les Chamberlin, who was injured in a car accident. Mrs. Dale Shipman was elected food preservation leader. Jim Brownfield, president, presided over the business session.

Games and square dancing were enjoyed and refreshments were served by Mrs. John Schweitzer and Mrs. Phillip Day.

Mrs. H. M. Brownfield and Mrs. Andrew Stoecklein will serve the refreshments at the next meeting May 8.

Coast Guard Relaxes After Giant Search For Lost Motorboats

LONG BEACH, Calif. (AP)—The Coast Guard relaxed today after one of the biggest air-sea search operations in years located 36 outboard motorboats reported missing in a race from the mainland to Santa Catalina Island. Cowboy star Roy Rogers and actor John Derek were among some 80 persons lost.

There were 209 boats entered in the race which began Saturday morning, sponsored by U. S. Sportsmen, Inc.

The winner, Bud Doyle, 26, Wintertown, Fla., made the 21-mile run in 37 minutes.

Foggy weather, ground swells and perhaps lack of seagoing savvy on the part of the weekend pilots played havoc with the race. Many returned to mainland ports, others got lost or ran out of fuel, or both.

The search started with airplanes before dark Saturday. It continued through the night and most of yesterday. It lasted for 27 hours before Cmdr. Arthur M. Davison said all were safe.

Natural gas is now the sixth largest U.S. industry, says the National Geographic Society.

4-H Vegetable Club Holds Regular Meet

The Dresden 4-H Vegetable Club, an all-boy club with 12 members, met at the club house at 6:45 Monday evening, April 16. Mr. and Mrs. C. E. Ferguson are the leaders. The meeting was called to order by the president, Dean Gottschalk and officers are as follows: vice-president, Billy Ferguson; secretary, Dale Gottschalk; reporter, Harry Ditsfield; pianist, Johnnie Woodward; song leader, Donnie Woodward; game leaders, Bobby Robertson and Bobby Ferguson.

Roll call was answered with "What I Like Best at the Club Meeting," after which the minutes of the last meeting were read by Dale Gottschalk. After the lesson and a report on what each had planted, refreshments were served. Members then adjourned to the church to see the picture, "Martin Luther."

Legion Convention To Be in St. Joseph

ST. JOSEPH (AP)—The annual state convention of the American Legion will be held in St. Joseph on July 27, 28 and 29, regardless of the state-wide ban on bingo and raffles.

Wilton Balle, general chairman of the convention committee, said fears the affair might be cancelled were groundless. The fear started, he said, when the convention committee was forced to cancel plans to raffle a new car.

Actual expenses of the convention, he noted, will be financed by registration fees of delegates, alternates and visitors. Any profit which would have come from the raffle, he said, would have gone for "extras."

Hold Meeting May 5

Mrs. Bill Moss, president of the Tipton High School Alumni Association announces that the annual meeting of the organization will be held at the public school auditorium on the evening of Saturday, May 26.

V-8 power skyrockets Ford out front!

Here's why:

Performance has made the Ford V-8 the best-selling eight-cylinder car this year, last year, and over the past 24 years! And this year, as never before, the Ford V-8 takes the steepest hills in easy stride, passes in instants, gobbles up those straightaways. No wonder! The great new 225-h.p. Thunderbird Special V-8 engine, teamed with Fordomatic Drive, is truly a performance champion. It broke 30 world's records in one day at Kingman, Arizona. And you can have

this engine now in any Fairlane or Station Wagon model. The mighty 202-h.p. Thunderbird V-8 (basically the same as the winner of the Manufacturer's Trophy) is the standard eight for Fordomatic Fairlanes and Station Wagons—and can be had in Custom-line and Mainline models, at extra cost. Whichever of these terrific engines you choose . . . you'll know instantly that you have more of the power that made the Ford V-8 the world's favorite eight!

Tiger Golf Team Whips Columbians

Drops Kewps 15-0; Stays Undeclared With 4-0 Record

Smith-Cotton Tiger golfers showed no signs of lessening their pace in Central Missouri high school golf dominance Monday as they swarmed over the helpless Columbia Kewpies here on the Countryview links.

Running their victory string to four straight, the Tigers blanked the visitors 15-0 to remain undefeated for the season.

Gilbert "Gib" Roberts, playing in the No. 1 slot for the Tigersmen, again snatched medalist honors by touring the par 36-36 — 72 Countryview layout in 76 for the 18 holes. Roberts went around in 40 for the first nine holes, then carded a par 36 on the incoming round. Vic Van Dyne ran a close second with 38-39 — 77 for the S-C swingers.

The Smith-Cotton team seeks to stretch its win streak to five Friday when the linksters travel to Springfield for a duel meet with the Springfield high school squad.

To Declare Forfeit If Philadelphia Fans Throw More Bottles

PHILADELPHIA — Warren Giles, president of the National Baseball League, says umpires at Connie Mack Stadium have been told to declare a mandatory forfeit of the game if there are any more bleacher uprisings by fans of the Philadelphia Phillies.

"The umpires have the right to forfeit a game if circumstances justify it. They have now been instructed that if there are any further incidents at Connie Mack Stadium, there is to be a mandatory forfeit of the game," Giles said last night.

Some of the fans conducted a beer can and bottle barrage Sunday in the second game of a doubleheader between the Phillies and the New York Giants. The incident brought protests from Bill Rigney, Giants manager, and Whitey Lockman, Giant outfielder.

Dusek Will Seek Revenge Here Tonight

TONIGHT'S WRESTLING CARD

In Sedalia Armory — 8:15

MAIN EVENT
(Tag Team Match)
Joe Dusek, 233, Omaha, Neb., vs. "Red" McIntyre, 228, Ottumwa, Mo., and Gentleman Jim Dobie, 225, Detroit. Best two out of three falls, or a 60-minute time limit.

SEMI-WINDUP
Cortes Reece, 225, Wichita, Kan., vs. Buddy Jackson, 230, St. Louis. Best two out of three falls, or a 45-minute time limit.

SPECIAL MATCH
Mike DiBiase vs. "Red" McIntyre. One fall, or a 30-minute time limit.

EXTRA ATTRACTION
Eddie Foy's Boxing Cats. "Frisco Kid" and "Rocky Mariana." Matches sponsored by Pettis American Legion Post No. 16.

Revenge will be the motive for Joe Dusek's return to the Sedalia Armory tonight. Joe, with his new partner, Mike DiBiase, will set out to knock "Red" McIntyre and Jim Dobie from the top ranks in Mid-Western tag team wrestling competition.

The tag match will headline the American Legion's three-match card, which gets under way at 8:15. A special "bonus" attraction, featuring Eddie Foy's world-famous TV boxing cats, is also listed on the ring program.

Dusek appeared here April 10 with Bob Orton as his partner. They were defeated by the McIntyre-Dobie team in a wild third-fall finish. Dusek blamed Orton's drooping chin for his team's loss. Orton had leveled a dropkick at McIntyre but missed his target and struck Dusek with his flying foot.

The all-Negro heavyweight matching between Wichita's Cortes Reece and St. Louis' Buddy Jackson will take the semi-windup spot on the program. The two Negro mat stars are rated as the leaders of their race in the pro wrestling sport. Reece is already crowned as the Kansas state Negro champion, while Jackson ranks as the No. 1 Missouri wrestler for his race.

"The matching of Jackson and Reece is in keeping with our policy of bringing the nation's top talent to Sedalia," Matchmaker Karras remarked. "Both wrestlers are a credit to their race and I'm certain they will please the fans by their excellent wrestling prowess."

DiBiase, a three-time Big Seven intercollegiate champion, will demonstrate his individual wrestling ability in a showdown battle with McIntyre in the opening event.

Foy's boxing cats will be presented at the conclusion of the semi-windup. Nicknamed "Frisco Kid" and "Rocky Mariana," the cats will wear special boxing gloves on their front paws. A "blow by blow" recording is played during the feline scrap.

"The boxing cats have appeared on seven Super Circus programs on TV — the all-time record for any attraction," Karras stated. "We're bringing the boxing cats here as a special treat. They will amuse both the oldsters and youngsters alike."

The Armory doors and box office will open at 7:15.

Paige Arrives By Helicopter To Aid Marlins

MIAMI, Fla. (AP)—The Miami Marlins are counting on Leroy (Satchel) Paige to help them off the ground in the International League race but the ancient pitcher insists it won't be by helicopter.

Paige came to the Marlins on opening night—by whirlwind. He was supposed to land on the pitcher's mound before the game but somehow the pilot missed his signal and it wasn't until the second inning that Satch stepped out of the flying machine in a cloud of dust.

He was properly attired in a baseball uniform and ambled to the dugout. Someone brought a rocking chair. Paige obligingly took it and struck a familiar pose.

Bill Veeck, executive vice president of the Marlins, insists that bringing in Paige was no joke but a sincere effort to help the ball club.

"I wouldn't have brought Satch here if he wasn't going to be a help to the ball club," Veeck said. "The old boy still has got a lot on the ball. I honestly think he'll be a big help."

Asked what it cost to bring Paige to the Marlins, Veeck admitted only that he comes high.

"Paige and I have been friends for years," Bill said. "He was with me last year on a barnstorming tour. He can still pitch."

Paige, who entertains the other players with his antics, retired the final batter Sunday night in the second game of a double-header to save a 3-2 decision for Miami. Last night Manager Don Osborn called on him and Paige came through again. He pitched to Albie Clark, the ex-Cleveland outfielder who came on as a pinch hitter. Clark hit the ball solidly but outfielder Dave Mann raced to his left and hauled it in for the final out for Rochester, which won the game anyway 2-1.

The Marlins' roster does not list Paige's age, but his friends say he is in the neighborhood of 56, give or take a few years.

Sanders Is Pegged As Favorite In Start Of Amateur Tourney

How much does Ted Williams mean to the Boston Red Sox? The inescapable truth is that the Red Sox, without Ted Williams, are a second-division club. With him, they're a pennant contender.

The recent series with the New York Yankees demonstrated how feeble the club really is when Williams is out of the lineup.

The combination of a light schedule and bad weather yesterday, which wiped out all major league action except Brooklyn's 6-1 victory over Philadelphia, gave an opportunity for a check of Boston box scores during the past four seasons. Starting with 1952, the year Williams left the club to serve his second term with the Marines, the figures plainly show Ted's value to the Red Sox.

From the start of the 1952 season to date, the Red Sox have won 316 games while losing 305 for a .509 percentage. With Williams in the lineup, they won 144 and lost 111. That's a .565 gait. Without him, they won 172 and lost 194 for a .470 percentage.

Boston won the first two games handsily this season. Williams clubbed four hits in five times at bat. The Red Sox made it three in a row the next day with Williams out of the lineup because of a foot injury. Then came the three successive losses to the Yankees, 7-1,

men were fighting the flames when the truck exploded.

Despite flying metal and spewing, flaming fuel, Ned was the only casualty. He was 200 feet away and running from the explosion.

US Charges IBC Bought Louis Crown

NEW YORK (AP)—The government produced a series of documents charging the International Boxing Club with offering former heavyweight champion Joe Louis \$150,000 to resign as champ and sign the four leading challengers to exclusive contracts as the monopoly trial of the IBC continued yesterday.

The government contended that an agreement was reached in early 1948 with Louis turning over the contracts to the IBC for \$150,000.

Under the agreement, it was claimed, Gus Lesnevich received \$10,000 and Le Savold was paid \$5,000. Ezzard Charles and Jersey Joe Walcott, the other two contenders, were to meet in the first match for the title.

The government also produced documents purporting to show how Jim Norris, IBC president, and his associates bought off the late Mike Jacobs with \$100,000 to gain control of Madison Square Garden.

The documents were presented to Federal Judge Sylvester J. Ryan, who is sitting without a jury in federal district court for the trial in which the government is seeking to dissolve the "amalgamation of power" of the defendants and to enjoin the "illegal practice through which it was achieved."

The IBC of New York, the IBC of Illinois, Madison Square Garden Corp., and James D. Norris, and Arthur M. Wirtz of the IBC are named as the defendants in the Justice Department suit.

The National League is in its 81st baseball season.

Records Show How the Bosox Lean Heavily on T. Williams

By THE ASSOCIATED PRESS

14-10 and 13-6. Ted got into action in two of those games as a pinch hitter, driving in a run with a single.

Boston's schedule game with Baltimore last night was postponed because of cold weather. It may prove a blessing because it gives Ted another day to recover from his injury.

Five games were scheduled yesterday, all under the lights, but cold weather, rain and snow combined to wipe them all off the slate except the game between the Brooklyn Dodgers and Phillies in Philadelphia.

In Philadelphia, young Don Drysdale, Brooklyn's rookie right-hander, made his first major league start and turned in an impressive performance. The 19-year-old Montreal graduate yielded nine hits but pitched superbly in the clutch, striking out nine batters.

The victory moved the Dodgers into a first-place tie with Milwaukee. Each club has a 4-2 record. Drysdale, a lanky, baby-faced youngster with a side-arming style not unlike Ewell Blackwell, walked only one batter.

The kid himself set up the winning rally in the fifth. After Carl Furillo had walked, he got the first hit off veteran Murry Dickson, a single to left. Junior Gilliam and Pee Wee Reese followed with singles to give the Dodgers a 3-0 lead. The Dodgers added insurance runs in the eighth and ninth.

Jerry Lumpe May Get Cozy Spot on Bench

By ED CORRIGAN

NEW YORK (AP)—Jerry Lumpe, the only rookie to win a regular job on the New York Yankees this year, may be heading for a cozy spot on the bench, Manager Casey Stengel indicated today.

The professor wore a more-wrinkled-than-usual look when he took up the subject of the 22-year-old shortstop's fielding.

"All I know is that he's supposed to be a better thrower than this," he said. "Phil Page had him down in Birmingham last year and he was going out making all the relays from the outfield. Throwing a lot of guys out at the plate too. Does that sound like a guy who can't throw?"

No, Professor, it doesn't. What then is the answer?

"Well, I can't bench him right this minute," said Stengel. "He's hitting .350 and that's good."

But he indicated that unless Lumpe improves by Friday, he's heading for a rest. By that time, Billy Martin will have recovered from an arm injury. Andy Carey has become more or less a fixture at third base, leaving only one opening for Gil McDougald, the all-around man—shortstop.

Stengel thinks that Lumpe might be playing under a strain. After all, it's not every rookie who breaks into a pennant-winning lineup. In fact, except for Lumpe and outfielder Lou Skizas, every other rookie the Yanks had in spring stations has departed for way stations.

Lumpe's throwing arm has been both weak and erratic thus far this year. It was the same in the Southland, but then he was operating off a bad leg.

"Still," mused Stengel, "he showed me something in Washington last week when he threw that big guy out at the plate after playing back."

Stengel was referring to Lumpe tossing out Roy Sievers at the plate after fielding a grounder near the grass. Sievers was on third at the time.

American Association Plays More Openers In 1956 Pennant Race

By THE ASSOCIATED PRESS

The second round of home openers in the 1956 American Assn. pennant drive was slated Tuesday in three parks west of the Mississippi.

Minneapolis was host to Wichita for an afternoon game at its new 15,000-seat Bloomington stadium. In night games Charleston is at Denver and Louisville is at Omaha.

Indianapolis and St. Paul will wait until Wednesday for the Saints' first home game this year.

The Denver Bears, undefeated in their first five games, hoped to increase the streak at the expense of Charleston in chilly weather. Two inches of snow fell in Denver Monday, and the weather bureau forecast only a slight warming trend Tuesday.

Charleston, the league's cellar occupant the last four years, took a 2-5 record to the Colorado Capital. The Senators have lost their last four starts.

Ranked behind Denver after the first week were St. Paul at 5-2, defending champion Minneapolis, Louisville and Omaha all 3-3, and Indianapolis 1-3.

Tuesday's games: Charleston at Denver (N) Louisville at Omaha (N) Wichita at Minneapolis (Only games scheduled).

TV Writing Is Difficult, Pay Is Good

By CHARLES MERCER
NEW YORK (AP)—"Even I— I can write a better script!" That is often the feeling of TV writers as they switch off their sets after watching a comedy or drama on which scores of people, besides the writer or writers, have worked for a long time. Here's something from the horse's mouth on the subject—the views of Herbert Hirschman, the script editor for Alcoa Hour (NBC-TV):
"Creative writing for television is far more difficult than any neophyte playwright might imagine. The remuneration is good—as high as \$2,500 for an hourlong script on Alcoa Hour, for example, although some top TV shows pay \$1,200—\$100 over the \$1,100 minimum required by the latest Writers' Guild pact.
"However, anybody who goes in TV writing mainly for the money involved is bound to fail if he

thinks that contrived situations, characterizations and dialogue will sell any TV editor.
"To be a successful writer a person must sincerely feel he has something to say, a story to tell. Only in that way will the script contain that essence of truth which the TV audience will recognize as such.
"One can't write a script evenings in a week after days spent working at a full-time job. Scripts grow only after months of hard, sustained work by even the most gifted of TV playwrights.
"After writing one, put it away for a week and don't even think about it. Too many young writers send their scripts out immediately after finishing them. A week's respite will give you a fresher approach to your work as a whole.
"A TV manuscript should be neat and legible, but the author need not follow a regular TV format. What is important is the content, not the format in which it is typed.
"The best way to handle the sale of a script is through a recognized literary agent who knows what type of drama might best suit what particular show. Scripts that come in unsolicited through the mail to producers of individual shows aren't given much attention because the chance of finding a good script among them is slim. But an agent's submissions are given serious attention because a producer knows a reputable agent won't submit poor material."

Hold R. C. Review Of Campaign Progress
A review of the Benton County Red Cross fund raising campaign, now under way, was held at the Lincoln High School auditorium April 17, at which time Miss Dorothy Staley, a representative of the national organization, was guest speaker. It was reported the National Red Cross Convention will be June 4-5-6 in St. Louis.
A present total for the drive is \$1689.46, with the quota at \$2035. Refreshments were served by Mr. and Mrs. Bob Stewart, Fairfield.
The Lincoln representatives voted to sponsor a bake and food sale May 5 at Attwood.

Hal Boyle's Column—
One Doesn't Really Know A Person Until on Journey

By HAL BOYLE
NEW YORK (AP)—Notes on travel by a poor man's Marco Polo:
You never really know a person until you go on a journey with him. During a two-week trip you can learn more about him than by associating with him half a lifetime in his own home town.
Travel may not necessarily broaden a person—just it is bound to show him up for what he is. It forces him to reveal his real nature as nothing else does.
Travel will make a liar out of the most honest woman. If she goes on an expensive vacation but for one reason or another has a lousy time, she'll rarely admit this fact when she gets back home.
She feels the money is never wasted so long as her neighbors envy the fun they think she had—but really didn't. This may sound like a feminine weakness. It isn't at all. It is part of the armorplate on her strength. Women believe only fools brag about the mistakes they make.
There isn't one out of 10 travelers who feels he knows the right answer. Probably there isn't any. My system: I tip everybody who smiles at me during the voyage—including fellow passengers. Then when my money runs out, I walk by the others head down, holding out my empty wallet like a drooping flag.
There has been so much propaganda put out about the superior service provided by airline stewardesses—much of it justified, it must be admitted—that few travelers dare to raise a holler when they occasionally run into a snippy stewardess.
I, for one, am afraid even to turn down a packet of gum when offered by one of these smiling airline lassies, for fear she'll take it as a form of criticism.
The saddest sight abroad is a group of lame-footed tourists, bullied by a guide into taking an exhaustive tour of all the local museums and monuments in the holy name of culture.
The average visitor can absorb more real worthwhile human culture spending a pleasant evening in the home of an ordinary French family in Paris than he can in three days of wandering through the Louvre.
The best part of any journey is not in remembering what strange sights you saw—but what interesting people you met along the way.
Most of the strange sights are already in books and you can look at them at home. But to meet the people you have to get out and to—and make your own memories.

Anita Ekberg Says Men Dull In Hollywood

By BOB THOMAS
HOLLYWOOD (AP)—Anita Ekberg, engaged to wed a British actor, filed to find a husband here because Hollywood men are "married, engaged or dull."
This will no doubt be a blow to the ego of movie males, but the sizzling Swede declares it's true. She says all the interesting men here are already claimed.
What about the rest?
"The men here are not very interesting," she said. "I never even liked to go out with actors, because they can talk about one thing only: acting. That is so very dull."
"I do not like to talk about acting all the time. I like to do my work and then leave it."
How come she is marrying an actor? The lucky fellow is Anthony Steel, well-known English Player.
"He does not act like an actor when he is away from his work," she commented. "When we are together, we never talk about acting. We talk about anything else."
Obviously she is nuts about the guy. She said that they met in London quite by accident.
"I was asked to go to a premiere by Warwick Productions, for whom I was making a picture," she remarked. "I didn't want to go, but the publicity man urged me to and asked me to come to a small dinner beforehand in one of the suites of the Savoy Hotel. I was going to the premiere with him."
"Tony was also at the dinner, though all the others were not in the picture business. He was going to the premiere, but he had no one to go with. So he took me."

Massachusetts Vote Features Write-in Drive

BOSTON (AP)—A hot campaign for write-in votes today liened another apathetic Massachusetts presidential primary.

A light vote was forecast. The weatherman said it will be fair in the morning, cloudy during the afternoon with rain or rain and snow mixed beginning by nightfall.

Most of the interest is in the Democratic ballot where a contest developed in the last few days for write-in support for Adlai E. Stevenson and for Rep. John W. McCormack, house majority leader. The write-in is not binding on the convention delegates being elected.

Neither Stevenson nor Sen. Kefauver (D-Tenn) campaigned in Massachusetts. Kefauver issued a statement last week asking his supporters to write in Rep. McCormack's name as the "favorite son" candidate or Massachusetts.

Stevenson's backers, including his state chairman, state Sen. Maurice A. Donahue, and the state chapter of Americans for Democratic Action appealed to Democratic voters to back the 1952 standard bearer for another shot at the nomination.

Democratic State Chairman William H. Burke Jr., entered the fray yesterday with a statement in which he asked support for McCormack, and at the same time assailed the ADA's Stevenson write-in drive. Burke accused the ADA of trying to "take over" the Democratic Party.

Prof. James M. Burns of the Williams College faculty, a former state chairman of the ADA and a district delegate candidate, termed Burke's statement "ludicrous" and said the party chairman was trying to divide the Democratic Party.

An Associated Press poll last week disclosed many of the Democratic delegate candidates were for McCormack as a "favorite son" candidate on the first ballot—but for Stevenson for the nomination.

The Democrats are electing 80 delegates with 40 votes for their national convention.

The Republicans, with 38 convention votes, are choosing a delegate of the same number, each with a whole vote.

Separate ballots are issued according to party enrollment in the Massachusetts primary. Independent voters may choose either.

In the write-in, the voters are asked to name their preference for the presidential nomination of their party. Any name they write in is counted.

The U.S. death rate from Pneumonia has dropped from around 55 per 100,000 inhabitants in 1935 to around 8 per 100,000 a year today.

Truman Won't Give His Endorsement Unless Deadlocked

KANSAS CITY (AP)—Former President Truman says he will not take a hand in the selection of the 1956 Democratic nominee for president unless a deadlock appears inevitable.

He declared in an interview yesterday: "If it should develop that a decision can't be reached any other way, I'll do all I can to help should I be called on."

The former President well knows the pivotal role he might be called upon to play if there is a deadlock. It has guided his refusal to make a personal choice this early.

Truman shrugs off any suggestion he run against President Eisenhower in November, he said.

"If I were younger, I might consider it," he said. "But no one has ever been elected to the presidency after reaching 65 and lived to serve out his term."

Truman will be 72 May 8. President Eisenhower was 65 last Oct. 14.

"I'm saving my fireworks for the Republicans," Truman said. "We can win if we make a fighting campaign."

The Republicans will have all the money, but the issues will be all in our favor.

"The Republicans boast of peace and prosperity. But where is the real peace in a world where little wars could develop into big ones? And where is your prosperity if little business and the farmer don't share it? And how long can it last if they don't?"

Car Hits Abutment, Killing Three Men

KANSAS CITY (AP)—An automobile struck the abutment of a railroad overpass south of here last night killing three men and injuring a fourth critically.

The dead were identified from papers as William Johnson Fisher, 23, and Ralph Edgar Finnis, 45, both of Kansas City and Airman 3 c. Robert H. Lynn, 24, Grandview Air Force Base.

Airman 2 c. Clarence Eldridge, 28, Grandview, was reported in poor condition at Menorah Hospital.

The accident occurred on U. S. Highway 71 just south of the city limits. Witnesses said the car was going at high speed when it crashed.

Training Union Group Holds First Meeting

The Intermediate Union Council of the Windsor Baptist Training Union held its first meeting Tuesday at 6:30 p.m. in the home of Mr. and Mrs. Bennett Walker. The purpose of the meeting was to assign duties to each officer and to make a list of prospective members. There were 13 members present.

Karen Henry, the newly elected president, told of the duties of the president and of the preliminary procedure of the Intermediate Union. Howard Hughes explained his duties as vice-president. The following committees have been appointed: membership, program, Bible readers and social. Sara Sue Shipp is the secretary. The two newest members are Thelma Harmel and Philip Stevens. The first Tuesday evening of each month was set aside for a council meeting. A welcome is extended to others who would like to join this group.

Refreshments were served by Mrs. Walker.

Re-elect Thee Board Members in California

Charles Hodler, McGirk, and L. R. (Frenchy) Martine, High Point, were re-elected to the County Board of Education for a term of three years at the annual meeting of school board members of the county held at the California High School Tuesday, April 10. Mr. Hodler represents the First County Court District and Mr. Martine, the Second County Court District.

At a meeting of the County Board of Education, held Friday night, in the office of the County Superintendent of Schools, Mr. Hodler was re-elected president of the Board. The County superintendent, Alfred W. Lloyd, acts as secretary of the board. Other county board members are: Hugh Alexander, Jamestown; L. W. (Mike) Billingsley, Tipton; W. H. Dickson, California, and Leo Engelbrecht, Latham.

Thief Wants 'Favor'

WINCHESTER, Ky. (AP)—"Would you do me a favor and give me all the money in the cash register?" asked the man who walked into a dairy last night. Mrs. Nan Vaughn promptly obliged. A gun in the man's hand indicated he would insist upon the "favor." She wasn't able to say how much the "favor" cost the dairy.

US Answers Governor With Copy of Income Tax Regulations

SALT LAKE CITY (AP)—Gov. J. Bracken Lee, who refused to pay part of his Federal income tax and then asked the government what it was going to do about it, got his answer yesterday: a copy of tax collection regulations from the U.S. Treasury.

Lee is withholding payment of taxes on income of his which is not subject to withholding tax. He wants to force a court test of Congress' right to use the tax money foreign aid — something he maintains is unconstitutional, along with the tax itself.

Lee says he got the booklet when he asked Treasury Secretary Humphrey to elaborate on an earlier statement that Lee's taxes would be collected "in the usual and customary manner . . . by filing a lien and levying on assets."

Build New Residence In Green Ridge Now

The new residence of Mr. and Mrs. Dale Ray of Green Ridge is nearing completion.

Clifford Brownfield of Green Ridge is constructing the Ray home.

Nile Cochran, Sedalia, began construction of a new home on North Main Street in Green Ridge last week.

The new home of Mr. and Mrs. True Ulmer on Route B, near the west city limits of Green Ridge is completed and Mr. and Mrs. Ulmer are residing in it. Mr. Ulmer constructed his new home this past winter and spring.

Since the city water system was completed two years ago in April, 1954, 15 new homes have gone up in Green Ridge including those now under construction.

Typhoon Threatens Southeast Formosa

TAIPEI, Formosa (AP)—Southeast Formosa was under threat today of a sideswipe by typhoon Thelma. The storm, moving north at 15 miles an hour and with winds up to 90 miles per hour, would bypass Formosa on the east if it continues its present course, but it would come close enough to cause possible damage.

First Grade Holds Birthday Celebration

The children of grade 1 of the Green Ridge school enjoyed a party recently on Friday afternoon which was for the children of grade 1 who have birthdays during the summer months. They are as follows: Thomas Mahin, Susan Meyer, Mary Rehmer, Donnie Romig, Paul Sims and Carl Hoehns.

The children played games and sang "The Happy Birthday Song."

The mothers, Mrs. Clarence Mahin, Mrs. Henry Meyer, Mrs. Carl Romig, Mrs. Robert Ferguson and Mrs. Earl Embree served refreshments to all the children and teacher, Miss Grace Still.

Snowfall Catches Man Mowing His Lawn

ST. JOSEPH (AP)—It snowed here this morning. Sure enough the call that can be expected with any April snowfall came in. It was that a man was mowing his lawn as the snow fell.

Philippine Legislator Charged With Misusing UN Emergency Funds

MANILA (AP)—The Philippines' only woman legislator, Sen. Pacita Madrigal Gonzalez, was formally charged today with misusing \$157,000 in U.N. and Philippine government welfare funds.

The 38-year-old woman was accused of falsifying public documents and diverting funds and property of the U.N. International Childrens Emergency Fund, the U.N. Appeal for Children and the Philippine Social Welfare Administration.

A presidential investigation commission charged Mrs. Gonzalez misused the money while she was social welfare administrator. She refunded \$110,000 to the government in February. She denied the commission's charges last month and accused it of persecuting her.

The Arkansas population fell 5.8 per cent between April 1, 1950 and July 1, 1954.

Of course... it costs a little more than other straight bourbons

...but this is Old Taylor 86

How can Old Taylor 86 cost considerably less than our 100 proof bonded bourbon —and only slightly more than most other 86 proof straights?

The reasons are simple.

Old Taylor 86 is exactly the same in *quality* as our 100 proof bonded bourbon. It costs you less, only because of lower taxes.

Yet even in this milder, gentler proof, Old Taylor *quality* is unchanged—rich, mellow, and deeply satisfying.

That is why Old Taylor 86 must cost slightly more than some straight bourbons, but money can't measure the difference in *taste*.
